I like the small, compact handiness of this map. It was really helpful and had most of the parts of Milan I went to while I was there for a week. One note for people with jet lag: the two maps are the same thing. The right side is a zoom in of the left side. The two maps are not a combination of one big place. I gave only four stars because the subway part of this version is out of date. Part of a line was missing.

Perfect for traveling folds very small excellent quality and laminated, seems very thorough, detailed yet do not need a magnifying glass to read. Bought 3 of these.....Venice, Milan, Rome.

Very cute.
