Petals To Pluck

Synopsis

A Chera Zade LONG read!As one of the founding members of the Infernalis Club, a debauched secret society, Lord Wycombe has plenty of experience with curvy women of the demimonde. This rakish and devilishly attractive older man isn't exactly the sort of gentleman who is typically assigned as guardian to an innocent maiden. But Lord Wycombe soon discovers that his new Ward, the voluptuous Miss Langsdale, is far more of a minx than the typical maiden. Will Lord Wycombe seek to marry off his naughty Ward, or will he discover multiple reasons to keep her for his own pleasure? Expect steam, banter, a firm hand, and some thoroughly debauched lessons on womanhood. All characters are adults aged 18 and older. This is a standalone prequel to "Plucking Rosebud."

You will find each story in this series Sensual and scorching hot. The sex scenes will leave you got and bothered. Lord Wycombe is one of the founders of a man's club called Infernalis Club. He is shocked when his college friend Lord Langsdale names him the guardian of his young daughter

Charlotte. Charlotte is of marrying age only she is head strong and has no dowry. Lord Wycombe is tempted to take her to hand or should I say out his hand to that curvy bottom he wishes to take. Soon Lord Wycombe gives Charlotte the lessons that will change both their lives! You will love this scorching hot, exciting, and kinky historical five star plus romance!

I voluntarily reviewed an advance reader copy of this book. Lord Wycombe has become the guardian of his friend's daughter, Charlotte Langsdale. Unaware that she is the type of morsel Lord Wycombe loves most, plump, young, and beautiful, she is immediately sent away and out of his temptation. When she finds her way back to his home she discovers a new world. A world of discipline and the promise of life as a sex toy. The promise of introduction into his life of debauchery. Sex, anal, spanking.

I enjoyed this scorching story about a young woman and her new guardian. Lord Wycombe belongs to a sex club and he doesn't trust himself to keep his hands off his new ward. When Charlotte makes it clear that she is willing to participate in whatever debauchery her guardian proposes, eroticism nearly jumps off the pages. The book is well-written and very explicit and includes elements of discipline. I voluntarily reviewed an advanced reader copy of this book.
