Customer Reviews

Jeffery Deaver is the international, #1 bestselling author of more than twenty-seven suspense novels, including The Bone Collector, which was made into a film starring Denzel Washington. He lives in North Carolina. Dennis Boutsikaris won an OBIE Award for his performance in Sight Unseen and played Mozart in Amadeus on Broadway. Among his films are *batteries not included, The Dream Team, and Boys On the Side. His many television credits include And Then There Was One, Chasing the Dragon and 100 Center Street.

I am a Jeffery Deaver junkie! I enjoy all of his writings and this collection is super. I enjoy the fact that this collection keeps going and going. I love the convenience of three-in-one. I just hate coming to the end of his stories and this collection combination was terrific! I wait anxiously for his next book. Deaver is a great story teller.

I gave this set to my mystery loving husband and he has already read one of the books twice! He is pleased and I think in a few months he may read them again.

I love, love Jeffery Deaver, but only listened to the first of these stories. Due to the abridged format, I spent too much time confused. The editing made the timetable very hard to follow and a lot of the

conclusions are formed from parts of the story not included in the abridged version. I enjoy Jeffery Deaver way too much to short-change myself by listening to any the rest of the abridged books in the collection.
