CARMEN VOCAL SCORE

Synopsis

(Schott). This new edition aims to present the correct text of the version arrived at during preparation and rehearsals for the first performance, this being the only version authorised by both the authors, composer as well as librettist. This definite text has been based on manuscript sources and early printed editions supervised by the authors. Text in German and French

Shipping Weight: 3.5 pounds (View shipping rates and policies)

Average Customer Review: 4.1 out of 5 stars 10 customer reviews

Best Sellers Rank: #1,909,153 in Books (See Top 100 in Books) #18 in [Books > Humor & Entertainment > Sheet Music & Scores > Composers > Bizet](#) #608 in [Books > Humor & Entertainment > Sheet Music & Scores > Historical Period > Late Romantic](#) #1097 in [Books > Humor & Entertainment > Sheet Music & Scores > Forms & Genres > Vocal](#)

Customer Reviews

Yes, it looks beautiful, the typeface is stunning, the paper is excellent quality, but unless you are performing Carmen in German, do not buy this edition!! Go with Alkor or Schirmer! The German version is on the bottom in italics, but the strong typeface makes it rather annoying, even though the French is on top. (Even more annoying than in Britten scores). As pretty as it is, the music is stretched out way too much, making page turning even more annoying.

Carmen Vocal Score (Dover Vocal Scores) ...: I did not really need a score, because I am not studying the music. However, I could not follow the works that only included the libretto. With this, I see what parts of the libretto go with what parts of the music, and I can follow

This is the best edition of Carmen you can find. It's is big and heavy, though, but worth it. On of my friend, who is a world-class baritone (I prefer not to name him on a public review), suggested this edition to me. Paper quality is great, and the printing is top-class.

The score I just received had a different cover (no big deal) but the entire right edge of the score is cut off! Hopefully my exchanged score is the full pv score.

Says it has the vocal score to the opera =Carmen= and it does. I'm not able to check into whether it has every possible last note and word, but it seems quite adequate for my purposes. The pages of the book haven't yet fallen out, so the binding would appear to be reasonably adequate as well.

Great price, pretty good publishing, and quickly delivered.

I think this is a really good buy! It's clear to read, the French is on top of the English (very important when you're singing it in French). It has good binding too. I'm happy with this product!

What can I say about an opera score? It had the music reduced for piano and it had the lyrics. What more could you ask for? I bought this to study for my being cast in the chorus of the Hawaii Opera Theater production of "Carmen" next year. I got what I paid for. Again... what more can you ask?
