Customer Reviews

Very few pages of any real information but mostly adds. I thought it would be more like a full magazine but it was very thin.

Helpful to try new things.

Had to get a refund. Could not get the photos or print large enough to read on my Kindle. :(

Photographs of any kind, particularly those that need to be enlarged in order to be seen on Kindle, just don't work. I'll order a hard copy of the magazine next time.
